

Walsall Junior Youth Football League Season 2025-2026

Respect Marshall Code of Conduct – in collaboration with the FA & League Rules

The Respect Marshall Role has been introduced across all youth leagues. Respect Marshalls have a positive influence in creating a safe and enjoyable environment for young people to enjoy their football.

Your participation in the role of Respect Marshall is primarily to support the Referee, Team Manager, Coaches and Centre Manager (if appropriate) in promoting the Respect agenda and to **remind your own parents and spectators of their responsibility to adhere to your Club and League Codes of Conduct.**

The Respect Marshall should **not** be someone who comes into conflict with others and should be there to remind all that this is a youth game.

Respect Marshall Role

Each team **must** have a Respect Marshall who can be easily identified at matches by wearing the fluorescent Respect Bib, the nominated person **cannot** be under the age of 18.

This is a **non-confrontational role**. If a Marshall cannot resolve an issue easily, they must **report it**. This can be to the Team Manager, Referee, Club, Centre Manager, League or FA as appropriate.

The Respect Marshall will deal with and monitor the actions of their own supporters only and they are required to be positioned within the spectator area behind the respect barriers, not with the Managers/Coaches in the technical area.

The Respect Marshall should help to maintain a positive environment for the players, Referees, Team Managers/Coaches and Clubs.

The Referee is in charge of the match and makes all decisions regarding all aspects of the game to be played.

The Team Manager/Coach should remember that they have full responsibility for the conduct of all their players and spectators in attendance before, during and after the fixture.

The Club should ensure that all players and parents have seen and signed a Club Code of Conduct which outlines the expectations of their behavior during the season. Failure to control spectators may lead to disciplinary action by the FA and League.

Respect Marshalls are appointed by teams to help to monitor and encourage the highest standards of behavior possible from spectators.

Respect Marshalls need to be honest, fair and observant. Respect Marshalls should write clear notes from incidents as soon as possible afterwards which needs to include the actual language used for reporting purposes and send via email to the Discipline & Respect Secretary.
